Medica Synergie expansion plan in Bengal

Medica's Hospital Division, a unit of Medica Synergie, one of the largest healthcare unit in eastern India, opened its doors to Kolkatans recently. Medica is now ready to embark on the path to becoming the largest healthcare provider in eastern India. On its radar is a healthcare chain comprising 2000 beds spread over West Bengal, Bihar, Orissa, Jharkhand and the North-east, with Rs 300 crore investment. Medica is already in the process of acquiring and launching healthcare units in Asansol, Burdwan, Murshidabad, Patna, Gaya, Dehri-on-Sone, Gorakhpur, Varanasi and Shillong. The EMI scheme launched by the hospital has been of great help to a large number of patients, enabling them to avail of treatment that may have been otherwise out of their reach. Keeping its promise of never turning away people in need, in the past year Medica has given free treatment to many poor patients.
